

GGUT

ZELL AM SEE-KAPRUN

Racebriefing 110, 80, 55 & Team

Weather & Track

Forecast as of Friday, 10.30: Weather forecast shows thunderstorm activity Friday afternoon into early night, which will then give way to partwise intense precipitation easing through Saturday morning. Overall, the amount of precipitation is lower in the south.

Attention: Cold temperatures (5 degree) and strong winds on the high passes in the 2nd half of Saturday.

→ All Races are planned to run on the original track and at the original starting times.
